

## How to reach TIFR

### **From Chhatrapati Shivaji International (T2) and Domestic (T1) airport**

- 50-120 minutes by taxi (Rs. 800 to 1000/=). The route via Worli Sealink is faster and less congested, but you will have to pay a toll of about Rs 70/=
- Pre-paid taxis are the recommended way of reaching TIFR from Mumbai's airports. There are counters for pre-paid taxis before you exit the arrival hall. Specify the taxi (A/C and non-A/C) and your destination as "Navy Nagar, Colaba". They mainly accept cash. You will be given two receipts for your payment, one for you and one for the driver. Retain these till the end of your ride; then hand the driver's copy to him/her. At the exit from the airport, the police may want to look at this slip.
- For Ola/Uber taxis there are designated places for the pick up, and these are marked. For Terminal T2, they are in the parking lot at a level above the arrival Hall. In T1 these are on the road just outside the exit.
